

Dear friend of the plants,

You are invited to be a sponsor of the seventh annual Florida Herbal Conference!

The mission of this conference is to uplift our Florida herbal community by providing a space for us to deepen our connections and to deepen our knowledge of Florida's healing flora. Organized by **The Florida School of Holistic Living, a 501(c)(3) nonprofit organization** offering herbal education to the Florida community since 1999, with a main campus in Downtown Orlando and satellite campuses in Tallahassee and South Florida offering herbalism curriculums, garden instruction, a seed library, and community herbal clinics.

The 2020 Florida Herbal Conference will feature dozens of the most respected master herbalists offering over **40 classes and workshops** to more than **700 people from the southeast U.S. region**. This 3day/2night weekend conference takes place at Retreats by the Lake in Lake Wales Florida which facilitates camping amenities for all of our attendees and a marketplace area designated for over 40 vendors. Along with our headlining **keynote speakers and renowned herbalists TBA**, this event will also feature many popular Florida musicians and a youth program for kids joining their parents.

Since our first event in 2012, The Florida Herbal Conference has grown by 300% with a whopping 700 people in attendance at the 2017 event. Overall the conference generated an estimated \$50,000 in food, vendor, and ticket sales.

All sponsorships are tax-deductible and profits from this conference will be donated to United Plant Savers (UnitedPlantSavers.org) to help them continue their work in our herbal community. There are many Sponsorship levels to choose from based on the amount of exposure you would like to achieve for your business or organization. We are excited to integrate your work, mission, and products into the promotion of our event. Please contact us with any questions at (407) 595-3731 or sponsor@FloridaHerbalConference.org. For your convenience, you can fill out your sponsorship application online at www.FloridaHerbalConference.org/getinvolved/sponsorship
